HINA MAUKA - DRUG TESTING INSTRUCTIONS

UA PHONE LINE FOR KANEOHE: 808-236-4300

Start calling the UA line on: _____

Your assigned color is: PRETRIAL

Call the UA phone line every day, between 12 Noon and 12 Midnight.

1. If you fail to call daily during the designated time, you are advised to report to the drug testing site to provide a specimen in case your color was called. Do not contact the Pretrial Services Office to ask about the color of the day as it is your responsibility to call in.
2. If your color is called, you must report the following day during the specified testing hours and provide a urine sample.
3. If you need to be excused from the drug test, you must obtain approval from your officer **PRIOR** to the end of the testing hours. Your officer will determine whether you are excused or not.
4. **Only excused absences, approved in advance by your officer, will not be considered a “stall.” Otherwise, failure to report or submit a urine sample is a violation of your pretrial release, regardless of the circumstances!**

IMPORTANT: Additional samples may be required by your Pretrial Services Officer. You should not assume that once you have provided the minimum number of samples that you will not be tested again for the remainder of the month. You are required to provide a urine sample whenever requested to do so by the agency or your officer. In addition, urine tests may be conducted on consecutive days, so you must call the UA phone line every day, even on testing days.

If you have any questions regarding these instructions, please contact your Pretrial Services Officer.
