

SECTION L - INSTRUCTIONS, CONDITIONS, AND NOTICE TO OFFERORS

L.1. GENERAL INSTRUCTIONS FOR PROPOSALS

A. Request for Proposals

This Request for Proposal consists of Sections A through M.

Section A - Solicitation/Offer/Acceptance Form, AO 367

In Section A, page 1 is the **Solicitation/Offer/Acceptance**. The offeror must fill out the following blocks on the form:

- (1) Block 8, as instructed on the form.
- (2) Block 9, discount for prompt payment, if applicable.
- (3) Block 10, acknowledgment of amendments.
- (4) Block 11, name and address of offeror.
- (5) Block 12, telephone number.
- (6) Block 13, name and title of person authorized to sign the offer.
- (7) Block 14, signature of offeror,
- (8) Block 15, date signed.

NOTE: The signature of the original and additional copies must contain original signatures of the offeror in this block.

Section B - Submission of Prices

(1) Services

The offeror must provide a response to every requested service item.

(2) Prices

The prices submitted must reflect the requirements of the Statement of Work for each project code requested as well as all terms and conditions of the contract that relate to that service item.

(3) Acceptable Responses

(a) Unit Price

Sliding price scales will not be accepted by the Government. The price will reflect the unit as defined in Section B and the Statement of Work for each project code.

(b) **"N/C" = No Charge**

For any item that the offeror will provide without charge or without additional charge, the offeror shall insert "N/C" in the Unit Price column of Section B.

(c) **Subcontracting**

For service items that the offeror will be subcontracting, the offeror shall insert the letter "S" following the price inserted in the Unit Price column. Services referred to another vendor shall be considered subcontracting and shall require the "S" designation.

(d) **Prices and "No Shows"**

A "No Show" occurs when a client does not appear for a prescheduled service, and the client fails to cancel the appointment at least 24 hours in advance. Offerors may factor the price of client "No Shows" for prescheduled appointments into the unit prices for the project codes listed in G.3. **It is estimated that clients fail to appear for prescheduled individual services approximately 5% of the time, although specific services may experience a higher rate of "no shows".**

(4) **Estimated Monthly Quantity**

The figures provided in the Estimated Monthly Quantity column of Section B are estimates of the frequency that the services will be required. These figures are estimates only and the government is not bound to meet these estimates.

Proposal Submission

By submission of a signed proposal (including the submission of the Certification of Compliance (Attachment A) described below), the offeror is agreeing to comply with all requirements, terms, and conditions of this solicitation and any resultant agreement or contract. **Note: The offeror is not required to submit solicitation sections C, D, E, F, G, H, and I as part of its proposal.**

Section K - Representations, Certifications, and Other Statements of Offeror

2. In the **BACKGROUND STATEMENT** the offeror shall:
 - a. provide copies of all monitoring reports for the previous 18 months from federal, state and local agencies. To be considered technically acceptable a vendor must have received ratings of satisfactory or higher. Monitoring reports for proposed subcontractors are not required; however, onsite evaluations will be individually performed for all subcontractors.
 - b. state expressly each location at which the offeror and any proposed subcontractors intend to provide services in response to this solicitation.
 - c. include copies of all applicable business and/or operating licenses as required by state and local laws and regulations.  - d. include copies of compliance with all federal, state and local fire, safety and health codes. Offerors are not required to provide copies of the aforementioned documentation for proposed subcontractors; however, the

The offeror shall include the name, title, duties, education, experience, and credentials (licenses and certifications) for all proposed staff members who will be performing services under any resultant agreement. In addition, the offeror shall certify that no proposed staff members are under investigation for or charged with a criminal offense and/or under pretrial, probation, parole, mandatory release or supervised release (federal, state, or local). The Offeror shall also certify that no proposed staff members have been convicted of any sexual offense (including but not limited to child pornography offenses, child exploitation, sexual abuse, rape, or sexual assault) or are required under federal, state or local law to register on the Sexual Offender registry. Attachment C shall also be prepared for all proposed subcontractor staff performing services.

Offerors providing sex-offense specific evaluations must certify on the Offeror's Staff Qualification Form (Attachment C) that the evaluator adheres to the established ethics, standards and practices of the Association for the Treatment of Sexual Abusers (ATSA).

Preparation of Offeror's References - (Attachment D)

The offeror shall provide three references (Federal, State, or local government agencies and/or private organizations), using Attachment D, for whom the offeror has provided treatment and other services identified in this RFP within the past 3 years. Provide the name and address for each reference, as well as a contact person and phone number. The government reserves the right to contact any reference and consider the information provided as part of its responsibility determination.

Sections L - Instructions, Conditions and Notices to Offerors, and M - Evaluation Criteria

Sections K, L and M contain information and instructions and do not become part of any resultant agreement.

L.2 Provision 3-100, Instructions to Offerors - (APR 2011)

- (a) Definitions. As used in this provision:

"Discussions" are negotiations that occur after establishment of the competitive range that may, at the contracting officer's discretion, result in the offeror being allowed to revise its offer.

"In writing," "writing," or "written" means any worded or numbered expression that can be read, reproduced, and later communicated, and includes electronically transmitted and stored information.

"Offer modification" is a change made to an offer before the solicitation's closing date and time, or made in response to an amendment, or made to correct a mistake at any time before award.

"Offer revision" is a change to an offer made after the solicitation closing date, at the request of or as allowed by a contracting officer as the result of negotiations.

"Time," if stated as a number of days, is calculated using calendar days, unless otherwise specified, and will include Saturdays, Sundays, and legal holidays. However, if the last day falls on a Saturday, Sunday, or legal holiday, then the period will include the next working day.

(b) Amendments to Solicitations

If this solicitation is amended, all terms and conditions that are not amended remain unchanged. Offerors shall acknowledge receipt of any amendment to this solicitation by the date and time specified in the amendment(s).

(c) Submission, Modification, Revision, and Withdrawal of Offers

(1) Unless some other method (e.g., facsimile) is permitted in the solicitation, offers and modifications to offers shall be submitted in paper media in sealed envelopes or packages (i) addressed to the office specified in the solicitation, and (ii) showing the time and date specified for receipt, the solicitation number, and the name and address of the offeror. Offerors using commercial carriers shall ensure that the offer is marked on the outermost wrapper with the information in paragraphs (c)(1)(i) and (c)(1)(ii) of this provision.

(2) The first page of the offer shall show:

(i) the solicitation number;

(ii) the name, address, and telephone and facsimile numbers of the offeror (and email address if available);

(iii) a statement specifying the extent of agreement with all terms, conditions, and provisions included in the solicitation and agreement to furnish any or all items upon which prices are offered at the price set opposite each item;

(iv) names, titles, and telephone and facsimile numbers (and email addresses if available) of persons authorized to negotiate on the offeror's behalf with the judiciary in connection with this solicitation; and

(v) name, title, and signature of person authorized to sign the offer. Offers signed by an agent shall be accompanied by evidence of that agent's authority, unless that evidence has been previously furnished to the issuing office.

(3) Submission, Modification, Revision, and Withdrawal of Offers

(i) Offerors are responsible for submitting offers, and any modifications or revisions, so as to reach the judiciary office designated in the solicitation by the time specified in the solicitation. If no time is specified in the solicitation, the time for receipt is 4:30 p.m., local time, for the designated judiciary office on the date that offer or revision is due.

(ii) (A) Any offer, modification, or revision received at the judiciary office designated in the solicitation after the exact time specified for receipt of offers is "late" and will not be considered unless it is received before award is made, the contracting officer determines it's in the judiciary's best interest, the contracting officer determines that accepting the late offer would not unduly delay the procurement, and:

(1) there is acceptable evidence to establish that it was received at the judiciary office designated for receipt of offers prior to the time set for receipt; or

(2) it is the only offer received.

(ii) (B) However, a late modification of an otherwise successful offer that makes its terms more favorable to the judiciary, will be considered at any time it is received and may be accepted.

(iii) Acceptable evidence to establish the time of receipt at the judiciary office includes the time/date stamp of that office on the offer wrapper, other documentary evidence of receipt maintained by the office, or oral testimony or statements of judiciary personnel.

(iv) If an emergency or unanticipated event interrupts normal judiciary processes so that offers cannot be received at the office designated for receipt of offers by the exact time specified in the solicitation, and urgent judiciary requirements preclude amendment of the solicitation, the time specified for receipt of offers will be deemed to be extended to the same time of day specified in the solicitation on the first work day on which normal judiciary processes resume.

- (v) Offers may be withdrawn by written notice received at any time before award. Oral offers in response to oral solicitations may be withdrawn orally. If the solicitation authorizes facsimile offers, offers may be withdrawn via facsimile received at any time before award, subject to the conditions specified in the Provision 3-115, "Facsimile Offers." Offers may be withdrawn in person by an offeror or an authorized representative, if the identity of the person requesting withdrawal is established and the person signs a receipt for the offer before award.
 - (4) Unless otherwise specified in the solicitation, offers on less than all items solicited will not be considered.
 - (5) Offerors shall submit offers in response to this solicitation in English and in U.S. dollars.
 - (6) Offerors may submit modifications to their offers at any time before the solicitation closing date and time, and may submit modifications in response to an amendment, or to correct a mistake at any time before award.
 - (7) Offerors may submit revised offers only if requested or allowed by the contracting officer.
 - (8) Offers may be withdrawn at any time before award. Withdrawals are effective upon receipt of notice by the contracting officer.
- (d) Offer Expiration Date
- Offers in response to this solicitation will be valid for the number of days specified on the solicitation cover sheet (unless a different period is proposed by the offeror).
- (e) Restriction on Disclosure and Use of Data
- Offerors that include in their offers data that they do not want disclosed to the public for any purpose, or used by the judiciary except for evaluation purposes, shall:

- (1) mark the title page with the following legend:

This offer includes data that shall not be disclosed outside the judiciary and shall not be duplicated, used, or disclosed — in whole or in part — for any purpose other than to evaluate this offer. If, however, a contract is awarded to this offeror as a result of — or in connection with — the submission of this data, the judiciary shall have the right to duplicate, use, or disclose the data to the extent provided in the resulting contract. This restriction does not limit the judiciary's right to use information contained in this data if it is obtained from another source without restriction. The data subject to this restriction are contained in sheets [*insert numbers or other identification of sheets*]; and

- (2) mark each sheet of data it wishes to restrict with the following legend:

Use or disclosure of data contained on this sheet is subject to the restriction on the title page of this offer.

(f) **Contract Award**

- (1) The judiciary intends to award a contract or contracts resulting from this solicitation to the responsible offeror(s) whose offer(s) represents the best value after evaluation in accordance with the factors and subfactors in the solicitation.
- (2) The judiciary may reject any or all offers if such action is in the judiciary's interest.
- (3) The judiciary may waive informalities and minor irregularities in offers received.
- (4) The judiciary intends to evaluate offers and award a contract without discussions with offerors (except clarifications). Therefore, the offeror's initial offer shall contain the offeror's best terms from a cost or price and technical standpoint. The judiciary reserves the right to conduct discussions if the contracting officer later determines them to be necessary. If the contracting officer determines that the number of offers that would otherwise be in the competitive range exceeds the number at which an efficient competition can be conducted, the contracting officer may limit the number of offers in the competitive range to the greatest number that will permit an efficient competition among the most highly rated offers.
- (5) The judiciary reserves the right to make an award on any item for a quantity less than the quantity offered, at the unit cost or prices offered, unless the offeror specifies otherwise in the offer.
- (6) The judiciary reserves the right to make multiple awards if, after considering the additional administrative costs, it is in the judiciary's best interest to do so.
- (7) Exchanges with offerors after receipt of an offer do not constitute a rejection or counteroffer by the judiciary.
- (8) The judiciary may determine that an offer is unacceptable if the prices proposed are materially unbalanced between line items or sub-line items. Unbalanced pricing exists when, despite an acceptable total evaluated price, the price of one or more contract line items is significantly overstated or understated as indicated by the application of cost or price analysis techniques. An offer may be rejected if the contracting officer determines that the lack of balance poses an unacceptable risk to the judiciary.

- (9) If a cost realism analysis is performed, cost realism may be considered by the source selection authority in evaluating performance or schedule risk.
- (10) A written award or acceptance of offer mailed or otherwise furnished to the successful offeror within the time specified in the offer shall result in a binding contract without further action by either party.
- (11) The judiciary may disclose the following information in postaward debriefings to other offerors:
 - (i) the overall evaluated cost or price, and technical rating of the successful offeror;
 - (ii) the overall ranking of all offerors, when any ranking was developed by the judiciary during source selection;
 - (iii) a summary of the rationale for award; and
 - (iv) for procurements of commercial items, the make and model of the item to be delivered by the successful offeror.
